Each quarter, Osher at UC San Diego features an expansive variety of lectures and seminars. Class topics include Medicine, Science, Law and Society, Art and Literature, International Relations, Politics, Current Events, and Social Sciences. We strive to maintain the quality and diversity of our curriculum so that each member can pursue subjects that will satisfy his or her individual intellectual needs.

**Access Our Stimulating Educational Online Library — Anytime, Anywhere**

*For a registration fee of just $25 per year,* Affiliate Members of Osher at UC San Diego have access to a members-only online video library that contains professionally edited recordings of the lectures held each quarter. Classes feature outstanding faculty and researchers from the entire San Diego academic community, as well as local leaders, artists, and musicians.

Affiliate Membership is ideal for those unable to attend classes in person at our UC San Diego campus location.

To join, visit [olli.ucsd.edu/membership](http://olli.ucsd.edu/membership) or call (858)-534-3400.

*Access our richly engaging and intellectually invigorating library today!*

If your community organization is interested in partnering with Osher at UC San Diego to use our recordings as part of your program, contact our office at [olli@ucsd.edu](mailto:olli@ucsd.edu).
